## March is Colorectal Cancer Awareness Month – Get Involved!

This month marks the 25th anniversary of Colorectal Cancer Awareness Month. You can help raise awareness by sharing our blog on social media, taking the Risk Assessment Quiz on our website, signing up for our newsletter and letting your friends and family know you're getting screened. Getting screened at the appropriate time is a great way to reduce your risk of colorectal cancer.

## Pickleball Tournament Success – \$40K Raised!

What an incredible turnout for our Pickleball Tournament! With 150 participants, 40+ volunteers, and our amazing sponsors, we raised \$40,000 to fund colonoscopies for those at risk.

Your support makes a real difference in the fight against colon cancer ❤️ Stay tuned for next year's tournament announcement date.

## Milestone Achievement – 100 Colonoscopies Given!

We're thrilled to share that CheckIt4Andretti has now provided 100 colonoscopies to individuals who otherwise wouldn't have access to this critical screening.

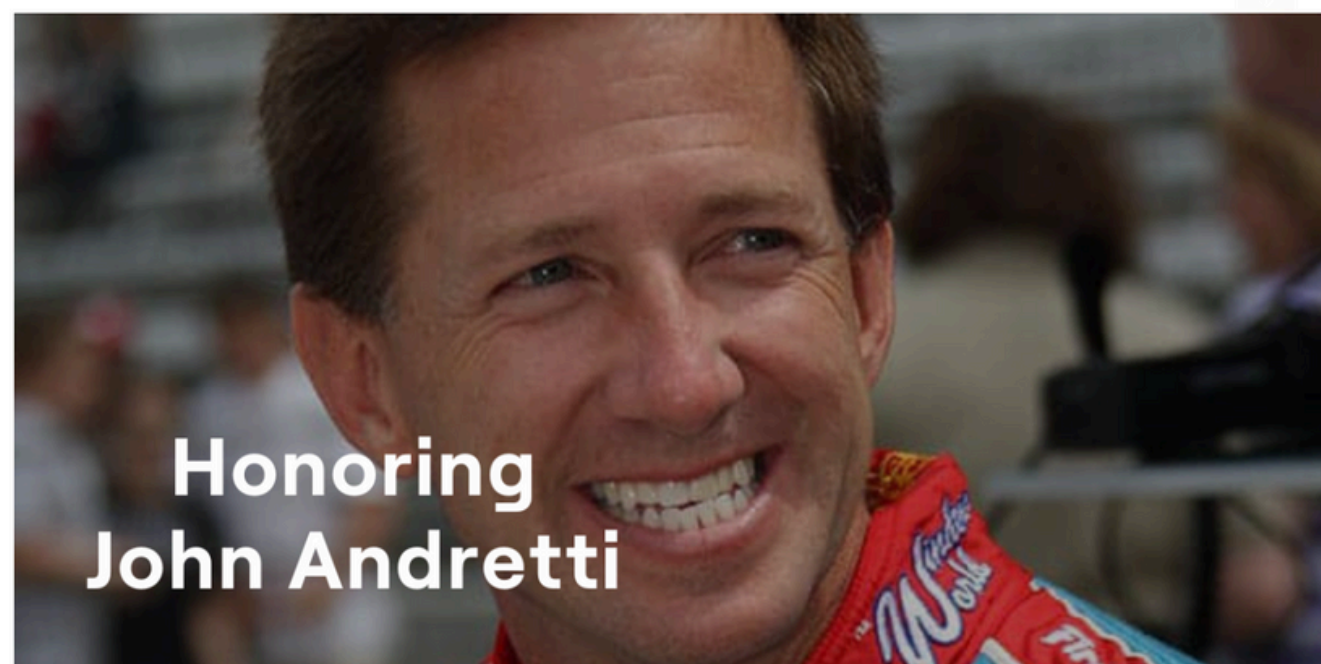

This milestone wouldn't be possible without our incredible donors, partners, and community.

## Thank You to our Partner, Riverview Health!

We are proud to partner with [Riverview Health](#) in the fight against colorectal cancer. On March 7, their team participated in Dress in Blue Day, raising awareness and honoring those impacted by colorectal cancer ❤️

Early detection is key in preventing colorectal cancer. Riverview Health makes screening easier with: No-referral scheduling, expert care, & advanced technology for a comfortable experience.

## Honoring John Andretti

### Honoring John Andretti – March 12th

On March 12, we honored John Andretti, who would have celebrated his 62nd birthday this year. His legacy lives on through CheckIt4Andretti, continuing the mission he started—to prevent others from facing what he did.

Join us in honoring John by scheduling your screening or encouraging someone you love to do the same. #CheckIt4Andretti ❤️
