

Colorectal Cancer Awareness Month is dedicated to raising awareness about one of the most preventable cancers through screening and early detection. Throughout March, organizations, communities, and individuals come together to educate, encourage screening, and support those affected by colorectal cancer.

Consider supporting CheckIt4Andretti as we continue our mission to expand access to colonoscopies for those in need and carry forward the legacy of John Andretti.

Together, we can turn awareness into action.

CheckIt for yourself.
CheckIt for your family.

Today, March 12th, we celebrate John Andretti's birthday. He would have been 63 this year. ❤️

March is also Colorectal Cancer Awareness Month, and it is a powerful reminder of why our mission matters. Through CheckIt4Andretti, we are continuing what John started by raising awareness, increasing access to screening, and helping more families catch colorectal cancer early – when it is most treatable.

Today we honor John by taking action. Get screened, encourage someone you love, and help us keep his legacy moving forward.

Happy birthday, John. ❤️

Special shoutout to their amazing staff Piper, Steve, and Christine for all the behind-the-scenes help, smooth logistics, and positive energy all weekend long. We truly couldn't have done it without you!

And an extra big THANK YOU to Cindy Tedder, our incredible Tournament Director, for keeping everything organized, upbeat, and running like a dream. 🙌
